

## Notice for Applicants for Accommodation in SD TUKE – only HIGHER YEARS

**Applications for accommodation in SD TUKE for the academic year 2020/2021 were submitted electronically via the MAIS system from March 15, 2020 to April 15, 2020.**

Information on the preliminary allocation of accommodation (status of the application = "ACCEPTED") can be viewed by the student after May 13, 2020 in the MAIS information system in the section "Accommodation". The final preliminary rankings of the allocation of accommodation will be available on May 20, 2020.

After the preliminary allocation of accommodation (acceptance of the application), the student is **OBLIGED TO PAY THE RESERVATION FEE in the amount of €100** according to Article 4.4.2 of the Internal Rules and Regulations /Criteria for Accommodation in SD TUKE/. After the signature of the Accommodation Contract, this reservation fee will be included in the student's first payment for accommodation. The reservation fee is a precautionary fee paid by the student applying for accommodation in SD. The reservation fee is paid by bank transfer to the account number of SD

Account number - IBAN: SK97 8180 0000 0070 0008 4912 BIC: SPSRSKBAXXX,

Variable symbol – for payments for accommodation in the MAIS information system /the message accompanying the transfer - student's name and surname/

The reservation fee **must be credited to the account of SD by July 31, 2020. Only the payment of the reservation fee confirms the allocation of accommodation. By not paying the reservation fee, the student cannot claim accommodation in the SD.**

If the student whose application for accommodation for the following academic year has been accepted has not requested a refund of the overpayment for accommodation from the academic year 2019/2020 and transfers the payment to the academic year 2020/2021, this payment will serve as a compensation for the reservation fee for the following academic year.

For this academic year 2020/2021, the obligation of these students to pay the reservation fee, which is due by July 31, 2020 under the Criteria for Accommodation in SD TUKE, is cancelled.

**Definitive rankings of accommodation allocation per academic year 2020/2021 after registration of payments for the reservation fee will be processed by August 5, 2020.**

In the event that the student does not start accommodation by September 30, 2020, or does not sign the Accommodation Contract, he or she shall lose the right to accommodation. In this case, the reservation fee will not be refunded.

By introducing a reservation fee, we want to find out the real interest in accommodation and thus redistribute all capacities as efficiently as possible among students who request accommodation for various reasons later.

Ing. Marek Dufala, PhD.  
Director of SD TUKE
